Meeting called to order by PJ Schoebel at 10:11.

### Introductions

Minutes from January 22, 2015 reviewed. Corrections: Add Jeff Gilbertson to attendance, motion to closed session was Dr. Peterson

Ryan approved Brian 2<sup>nd</sup>. So moved.

### Reports from members:

Medical Examiner office: finalizing 2014 cases. A few child deaths in 2015 we will review later. We have one more 2014 child death to review.

Distributing Safe Baby Sleep books. There are about 100 copies to distribute.

Booth at Fair. Working on Topic for the fair. Last year we did safe sleep. Does the team have any topics?

Pastor Bauer thought Car seat safety would be a good topic. Dr. Peterson stated there is a difference with AAP guidelines and car seat makers. Other topics of interest? Dr. Peterson suggested Heroin information for our drug affected infants and children. Average stay for baby is 5 days to see if morphine needs to start and then it could be weeks. Dr. Peterson educated team on how the infant will be treated if born to a drug affected mom. Child needs to be stable on the morphine and receive certain scores. A question was asked about Dev. Concerns? Study on Cocaine babies found that poverty was the issue for cocaine babies vs. the drug. Noticing that genetics plays an important part in the addictive personality. How do you manage babies who may have an injury later will you give pain meds? No, we would manage their pain differently.

Jeff Gilbertson states that because of the pharmacy registry addicts are not getting pain meds and ER's are finding anger levels rising. How does Hospice deal with this? PJ Schoebel states that they dispose of meds down the drain and document with signatures.

### Sheriff Office:

Det. Drum states DEA has stopped doing take back drugs. State of WI attorney General states too important to drop. They now want all meds in Ziploc bags, not containers. Det. Drum is going to get a press release out. Mary Rosecky asked to have info forwarded to her and then to distribute to safety and injury coalition.

Any other topics? AAP will have a provisional section on child death review. Dr. Peterson is now on that committee.

Public Health: Will be providing car seat inspections at the Beaver Dam Hospital Safety Fair, we have been giving out safe sleep books to our WIC population and last, the CARES coalition safe sleep initiative is in effect.

Law Enforcement: Drug take back information, will send to Public Health

Beaver Dam has drug drop box. Heather Johnson was re-certified as car seat technician

Dr. Jen Campbell: Grief relief up and running at BD middle school has two volunteers.

Mental Health Coalition: Becky Glewen and UW Extension are offering parenting classes/practices called love and logic. It gets parents involved with small children and to educate them. Church Health is taking some Mental Health clients to counsel.

Sara Gaska: Child Health Psychiatrist may come on board in August.

Human Services and Health Department hired staff to address the Heroin issue. Goal is to have 9hrs outpatient treatment for people with addictions.

Becoming more mobile with crisis situation. Sara states she has all new staff but 2.

Health and Human Services just wrapped up Organizational Effectiveness training for leadership and to be more positive. Making staff feel they have a voice in changing and decision making.

Pastor Bauer: Called for suicide counseling as well as the State Trooper Death. Role in Sheriff's dept. continues to be the same.

Child support: no report

District Attorney's office: no report

Dr. Peterson asked to see if we can change July meeting as she and alternate not here.
